

# 10th Congress of Balkan Geophysical Society

## 18–22 September 2019, Albena Resort, Bulgaria

Dear Colleagues,

We are pleased to invite you to participate in the **10th Congress of the Balkan Geophysical Society (BGS)**, celebrating 25 years since its creation. **The Congress will be held from 18 to 22 September 2019 in Albena Resort, Bulgaria.**

**The main topics of the Congress are:**

- Seismology
- Geophysical methods – theory and applications
- Exploration geophysics
- Engineering geophysics
- Geophysical instruments and softwares

**Each of the selected topics contains subtopics that you can find here:**

[www.bgs2019.org/topics-and-abstract-submission/](http://www.bgs2019.org/topics-and-abstract-submission/)

**We have selected several Special topics:**

- Geophysics of polar regions and high mountains
- Marine geophysics
- Geophysics for cultural and historical heritage
- Geophysics for society

**The registration and abstract submission are already opened ([www.bgs2019.org](http://www.bgs2019.org)). Please consider the deadlines:**

*Early Bird Registration end date:* 20 May 2019

*Call for abstracts closes:* 30 June 2019

The body of the extended abstract needs to be *four (4) full pages* in length, *paper size A4*. Longer or shorter sized abstracts will not be included in the review process and therefore be rejected. Abstracts should be submitted by the platform provided for the Congress from EAGE ([www.bgs2019.org/topics-and-abstract-submission/](http://www.bgs2019.org/topics-and-abstract-submission/))

*Please feel free to forward this message among your colleagues and students.*

On behalf of the Organizing Committee we are looking forward to welcome you to Albena, Bulgaria in September 2019.

Yours sincerely,  
*Christian Tzankov*, Senior Professor Assistant  
President of the Bulgarian Geophysical Society  
Chairman of the Organizing Committee
